5th, 8th Artillery Regiments and one battalion (DIVISION) of 9th Artillery Regiment.

GOTLAND - VISBY (VIS'BYu).

Establishment: 10th Infantry Regiment and 7th Artillery Regiment.

[33 groups unrecovered]

All the organisational measures necessary for the change-over have been carried out and checked in various training exercises in the field and on manoeuvres. I have [B] preliminary information] which states that division headquarters will be ~~at the same level as~~ the corps headquarters and that number of regimental headquarters will be expanded to divisional headquarters.

[33 groups unrecovered]

heavy regiment. It is proposed to form four artillery regiments. At present not all the regiments have been brought up to their full establishment. The sub-units of the above mentioned regiments are undergoing training.
